At A*/A, our A2 level results this year were a little down on last year's at **48%**, but the **A*-B results remain consistent at just over 79%**. The figures have crept up with remarks and this is a trend we expect to continue. Special congratulations go to Emily Hill, Will Palmer, Chris Paton and Jon Stocks who achieved 3 A* (or equivalent) grades, alongside Clare Marsh, who achieved an exceptional four A* grades. **Over 20%** of this cohort achieved all A*/A grades and **nearly 60%** of them achieved all A*-B grades

OXBRIDGE

Eight students received offers, five from Oxford and three from Cambridge, where the selection procedures seem to have been heavily reliant on statistical data which has possibly advantaged those making post-A level applications. The subjects chosen range from Politics to Engineering and include Biochemistry, Chemistry, Geography, Earth Science and Veterinary Medicine, reflecting the breadth of academic excellence at Cranleigh. These offers are a real triumph for the students concerned and for the teachers who have helped to prepare them for this rigorous selection procedure.
