## Academic Scholarship Application Form

Name of Candidate .....

School .....

Cranleigh Academic Scholarship Examinations will take place from 24 - 26 February 2020 and the deadline for returning this application form is **Monday 6 January 2020**.

All candidates will take examinations in English, Mathematics, Science, a choice of one or two Languages and History, Geography and Religious Studies. In addition, candidates will have an individual interview and be involved in a group discussion to ascertain potential.

Academic Scholarships and Exhibitions will be awarded as a result of success in the Academic Scholarship papers and the scholarship assessment days. If your child is successful in winning an award and you feel that they will need more support than the value of the award of 5%, please contact the Admissions Department to request Financial Circumstances forms. These must be completed before a candidate is assessed for an award. All awards made will be fees linked and will apply to boarding or day fees as appropriate.

### Parents

I agree to accept an Award, if offered, on the following conditions. It is expected that all awards will be held for the full period of a student's career at Cranleigh, but they are conditional on high standards of attendance, diligence and behaviour on the student's part and on parents treating the School and its staff reasonably.

Languages  
(please circle one or two choices)
