## Academic Scholarship Application Form

Name of Candidate .....

Candidate's Current School .....

Cranleigh Academic Scholarship Examinations will take place on 22 & 23 February 2021 and the deadline for returning this application form is **Monday 4 January 2021**.

All candidates will take examinations in English, Mathematics, Science, a choice of one or two Languages and History, Geography and Religious Studies. In addition, candidates will have an individual interview and be involved in a group discussion to ascertain potential.

The value of a scholarship, should your child be successful in winning this award, is 5%. All awards made will be fees linked and will apply to boarding or day fees as appropriate.

If additional financial assistance will be required, please contact the Admissions Department as soon as possible to allow us to start the process prior to the scholarship assessments. The parents or guardians of candidates requesting bursary assistance will be required to undergo means testing via the full completion of financial circumstances forms, which will enable Cranleigh to give an initial indication of the size of bursary available in the event that the candidate should be offered an award. These forms can be requested via [admissions@cranleigh.org](mailto:admissions@cranleigh.org) and must be completed before a candidate is assessed for an award.

### Parents

I agree to accept an Award, if offered, on the following conditions. It is expected that all awards will be held for the full period of a student's career at Cranleigh, but they are conditional on high standards of attendance, diligence and behaviour on the student's part and on parents treating the School and its staff reasonably.

Languages  
(please circle one or two choices)

- French
- Spanish
- Latin
- Greek
