Information for sewing CS INITIALS

Please use the INITIALS badges for all Sportswear, as diagrams provided overleaf:

- All initial badges should be sewn in position beneath the School crest on every sports garment, except swimsuits and base layers.
- If there is insufficient space on the garment below the School crest, then sew initials badges on the opposite side of the garment *to cover* the Manufacturer's logo if there is one - or place on plain area of garment.

*Further Initial Badges in batches of 15 may be ordered from the **School Shop**, should more be required.*
