Cranleigh Pre-School Fees Schedule
Sessions and fees (as at academic year 2026/2027)

Fees for the academic year 2026/27:

- **Single session (lunch included) 8.30am - 12.45pm - £34.79 funded / £53.81 unfunded**
  Children can be dropped off 10 minutes ahead of the school day and can be collected after lunch, from 12.35pm.

- **Double session (lunch included) 8.30am - 4.00pm - £67.30 funded / £86.32 unfunded**
  A double session runs until 4.00pm and children can be collected from 10 minutes beforehand. Subject to timetabling, the majority of specialist teaching will take place in the afternoons.

  All sessions are booked termly in advance. Should the required session be oversubscribed, preference will be given to those with siblings and who have paid a deposit for Reception.

Early Years Funding

Cranleigh School will be registered to receive the Early Years Funding Entitlement for 15 hours funded provision for 3-4 year olds in our Pre-School. Funded hours are for 3 hours per morning (8.30am to 11.30am) and can be used for 5 sessions per week. The fees noted above are for additional hours exceeding the daily funded hours.

A signed declaration should be returned by the third day of each term to ensure no charge is made for the 15 hours entitlement. Where a declaration is not received an additional invoice will be issued for the difference between unfunded and funded sessions.

We recommend that children make the most of full days, where their development and progress will be seen most keenly. Our full programme has been thoughtfully designed to offer a rich and well-rounded educational experience, providing an excellent foundation for your child's transition to Reception.

Please note that although the Early Years Funded entitlement is available for 38 weeks per year, Cranleigh Pre-School operates on fewer weeks, and you will not be able to use your full funding entitlement at Cranleigh.

Minimum Sessions

Children should attend a minimum of six sessions until the summer term prior to starting Reception, when they should extend to at least eight sessions in readiness for full-time schooling the following year.

Childcare Vouchers

Childcare Vouchers and Tax-Free Childcare accounts can be used to pay for fees and wraparound care for your child whilst attending Cranleigh Pre-School.
