DANCE OPPORTUNITIES

Dance at Cranleigh Prep offers a vibrant and inclusive programme for all students, encouraging creativity, confidence, and a love of movement. Pupils have the exciting opportunity to perform in a main dance show every other year, complete with themed choreography, costumes, and professional staging. In alternate years, students take part in an informal dance display, where they showcase the skills and routines developed during class. Whether performing for an audience or progressing in class, every child is supported to express themselves and enjoy the freedom and fun of dance.

Students following the ISTD and RAD syllabuses have the opportunity to take graded exams, allowing them to progress through structured levels and receive formal recognition for their skills and achievements. These exams help build confidence, motivation, and a clear sense of accomplishment.

Our dance programme is supported by a strong team of qualified and experienced teachers, each specialising in the various disciplines on offer. They work closely together to deliver high-quality, inspiring classes and have been building and developing the dance provision at Cranleigh Prep over the past five years. Their shared passion and teamwork create a supportive environment where every child can thrive, learn, and enjoy the magic of dance.

"When you dance on stage, it's your time to shine and share your sparkle!"
