Pre-School Extended Fees Schedule

Sessions and Fees (as at academic year 2025/2026)

*15 Hours Funded Provision

Cranleigh School will be registered to receive funding from Surrey County Council for 15 hours funded provision for 3-4 year olds in our Pre-School.

We recommend that children make the most of full days, where their development and progress will be seen most keenly. Our full programme has been thoughtfully designed to offer a rich and well-rounded educational experience, providing an excellent foundation for your child's transition to Reception.

Please contact our Admissions Team for further information.
