

Cranleigh School
Gender Pay Report 2023

This is Cranleigh School's gender pay report as at 5th April 2023. During the reporting year the Senior Management Teams of the two schools comprised twenty six staff, some 25% of one quartile, of whom ten were female. The gender ratio amongst these employees, who are amongst the highest paid, accounts largely for the figures in the upper pay quartile and for the mean and median gender pay gap. The lower two quartiles predominantly comprise staff who work flexibly many of whom are female and wish to fit work around family and other commitments.

There are three primary pay scales at Cranleigh School: two teaching scales and a support staff scale. Each scale is compliant with gender pay regulations. Senior management salaries are determined by the Governing Body.

Mean gender pay gap in hourly pay as a percentage of men's pay **31.31%**
