

CRANLEIGH CONNECT

Weekly term-time newsletter for Cranleigh School parents/guardians

FRIDAY 20TH JUNE

This week, despite the extreme temperatures, has been a celebration for many of our students as they finish their exams. For some, this signals the end of their time at Cranleigh and for others, a new journey in Sixth Form begins. Last weekend we welcomed families to our Open Morning which extended into a trial Boarding Weekender - a chance for children to be immersed in Cranleigh's boarding environment.

This evening Wild Wonder week begins, which sees an event every day until the end of term connecting pupils to the outdoors. It culminated this evening with wonderful Chapel outside. A few sports fixtures remain for the year, and we look forward to more success from our pupils. Many congratulations to Abi on batting her century on Jubilee Pitch last Saturday.

Our pupils and staff alike provided an evening full of entertainment at our Dance Show on Wednesday. The talent of our School community is outstanding and it is a joy to witness this in every single performance. I look forward to even more entertainment at our Cranleigh Live, and a new Prep School Cranleigh Live soon.

Next week we will celebrate the end of an academic year with events in and out the classroom, and I look forward to welcoming you all on Speech Day as we mark what has been a wonderful academic year.

I hope you and your families have a lovely weekend in the continued warm weather.

DANCE SHOW

Wednesday was our Cranleigh Dance Show, a fantastic evening showcasing the outstanding talent of our pupils!

Featuring performances from pupils from both the Senior and Prep School, it was a stand out moment of the School year. Our staff even got involved for a surprise performance!

Huge congratulations to everybody involved - we won't forget this evening for a while.

WINTERSHALL TRIP FOR LOWER FIFTH

On Tuesday, 56 Lower Fifth pupils went on a fantastic Religious Studies trip to Wintershall near Guildford to watch The Life of Christ.

Despite the heat, spirits remained high as pupils immersed ourselves in a powerful outdoor performance. The production beautifully brought to life the key events in Jesus' timeline, from his birth to the resurrection, and helped deepen understanding of the core teachings explored in the GCSE curriculum. It was both educational and inspiring, giving pupils a memorable experience of Christianity in action.

The pupils were a credit to the school, engaging thoughtfully and behaving impeccably throughout. A fun and meaningful day was had by all.

LOWER SIXTH FUTURES PROGRAMME

Our Lower Sixth students have spent part of this week taking part in a Futures Programme.

The week included a packed schedule: a visit to a university open day, a hands-on mock assessment centre (complete with group tasks, challenges and feedback) learning about the Graduate recruitment process. They undertook LinkedIn training and also had the chance to meet and chat with some of our fantastic recent OCs, who shared their experiences and tips about university choices and life beyond school.

The Lower Sixth also spent a day researching and starting their UCAS personal statements – a big step towards university applications that's now well underway. They all have a to-do list for the summer. A huge thank you to David Hawkins from The University Guys, who supported our students thinking about applying to universities abroad, and to Chris Allen, current parent and CEO of Quintet Bank, along with his brilliant team, for running the Mock Assessment Centre and giving students a real insight into the world of graduate recruitment.
